

**PST Meeting
@ Houston
Saturday, June 14, 2008
pstex.org/goodphil/2008**

**Start Time: 2:30 pm
Schools: UT, UH, Tech, UTSA, A&M**

Topics:

- 1. critique of the 2008 GoodPhil games**
- 2. nominations for the PST 2008-2009 board**

UH comments/concerns:

- **bball game –UH vs. UST –UH ended up losing. UH says stick to the rules; UTSA IM rules says officials have final decision**
- **delays –UH says there will always be unforeseen delays, but still try as much as possible to prevent them**
- **table issue –suggests to have designated “eating areas/tables” for each particular school**
- **future injuries –UTA should make sure crutches are available and that properly trained medical staff are nearby**

UT comments/concerns:

- **opening ceremonies –complaint that there was confusion as to when the ceremonies would begin; it was announced on the microphone that the ceremonies would be starting shortly**

A&M comments/concerns:

- **game time is forfeit time? -Yes but due to ALL games being pushed back, game time, thereby forfeit time, have also been pushed back. UTSA has been very accommodating to those schools who have requested a little more time for them to fulfill the minimum requirement of players needed for a particular game**
- **small venue/club**
- **not satisfied about track being delayed simply b/c of the men’s final bball game; UTSA apologizes – wanted the track event to be the closing event and to be witnessed by ALL participants in order to encourage more school spirit/cheering for each participating school**

Kim Pham’s comments/concerns:

**-UTA –have venue and guest performers finalized early! (weeks prior to the GP event)
-do not forget to have “trained” score keepers/time keepers, and make sure they are also on time to do their job for each particular event as their role is equally as important as the officials in insuring a smooth event with minor-to-no delays**

PST nominations -The board consists of 3 members: 2 PST co-presidents and the GoodPhil head (as chosen by the hosting school). The following nominations are for the 2 PST co-president seats:

A&M - Ashley Costales

UT - Lance Herrera

***All other schools, please decide on other potential candidates.**

End time: 2:55 pm

*****NEXT PST MEETING @ College Station. Date/Time TBA**
